

APOLLO

Apollo Stands For

Apollo believes there are a lot of would-be professional creators that won't be able to make it without some support to get their big break. Sometimes it just takes a helping hand for them to realize their hopes and dreams. What if a crypto token could actually do something about that?

There is. That's why you should get to know Apollo.

Access:

Connections are key to success.

Find a path to community, artistic feedback, public attention, lucrative funding, investment that grows and supportive people genuinely interested in funding creativity.

Freedom:

Who says artists should starve?

Indulge in artistic expression even as you foster financial freedom with a token that grows as creativity grows.

Creation:

Creators make the world better.

Make the world more interesting and beautiful through the creative use of a crypto token to be a catalyst for funding art.

Community:

We all rise lifting others.

Join good-hearted people that want to give back to creators who need financial and fellow-artist support, as well as, public validation and feedback.

Change:

Technologies can be used for good.

Embrace the promise of blockchain as you align with a crypto token that is committed to transparency, equity of voice/access, and decentralized power.

If you're a creator or creativity supporter who believes what we believe... there's a valuable token and community that was specifically designed for YOU. It's time to get involved in an upcoming contest as a creator contestant or a voting supporter. It's time to get invested in the only crypto token that lets you see the faces you're supporting and have a voice in making a creative difference. It's time to get Apollo In-U!
